

Urban style

The **Z Hotel** in London's Shoreditch has a few foodie tricks up its sleeve to make your stay memorable

Converted from a four-storey former office building, the **Z Hotel** in Shoreditch offers an 'urbanite stay' of affordable luxury. The rooms may be small but are sleekly designed and offer comfy hand-crafted beds, power showers, 48in LED HD TVs with free access to Sky Sports and Sky Movies, as well as free Wi-Fi throughout the hotel.

The reception area doubles as the Z Café. Any time before 11am, when you enter the lobby the first question you'll be asked is, "Would you like a bacon sandwich?" Just what you want to hear after a night out or before an important meeting! The continental breakfast is not the only foodie treat the hotel has up its sleeve, as when the clock strikes 5pm, the two-hour nightly wine and cheese service takes place. Mingling with other hotel guests as a complimentary selection of wines and cheeses is offered is simply brilliant, and we hope this is a trend that catches on.

The Z Hotel is a stone's throw from Old Street, with the trendy shops, galleries and restaurants of Shoreditch all within walking distance.

A hotel that ticks all the boxes from A to Z!
